Every attempt is made to follow the program. However, at times, unforeseen circumstances may result in changes in experiences, excursions, and incursions.

**Child-led experiences:** Alongside the daily program, children and educators will collaborate on experiences and ideas that extend on the children's interests. This will include all spontaneous experiences as well as activities that the children request. Not all experiences will be based around the daily theme.

**Children's choice to participate:** Children are encouraged to participate in all experiences that occur at the program. However, YWCA Canberra supports children's agency in choosing experiences they want to be a part of.

# creativity & innovation week

Creativity and Innovation week is celebrated internationally and is a movement dedicated to celebrating creativity in the many forms that it comes in. This week's program will combine artistic concepts and processes, engineering, design, and history to engage the children's imagination and creativity as we foster their developing critical thinking and decision making through play and expression.

Monday 15th April

## The Science of Art

### PENDULUM ART

Using everyday objects the children will be challenged to design a pendulum frame that will combine STEM with art to explore elliptical movement and the patterns and imagery that can be created.

### DIY SPIN ART

Explore movement through art as the children create wonderful patterns with paint and a repurposed salad spinner.

### FOOD SCIENCE DAYS

The children will combine science and cooking as they explore a range of scientific methods and concepts. From colour free rainbow candy, multipurpose rice paper and hot Ice cream the children will love this introduction to food chemistry.

Tuesday 16th April

## Junior Engineers

### LETS TINKER

The children will learn more about how everyday machines work as they pull apart, deconstruct and reassemble a range of recycled technologies and objects.

### LANDMARK ENGINEERING

Using just a little glue, paddle pop sticks and some foundation engineering the children will be challenged to construct their interpretations of some famous Australian Landmarks.

### CATAPULT CREATIONS

The children will take a step back in time as they explore the science behind the catapult and the trebuchet which they will then reconstruct using recycled materials.

Wednesday 17th April

## Sustainable Innovation

### SOLAR POWERED EXPERIMENTS

The children will be exploring the power of the sun as they compete against the other schools to design and construct their own solar powered creations.

### HOVER CRAFT RACES

The power of air will be explored as the children construct their own hovercrafts to race.

### INCURSION: GECKO SPORTS

Get active with the team from Gecko Sports as we race through the famous colour obstacle and relay race. Don't forget to wear white as we have some active colour-filled fun!

Thursday 18th April

## Get Creative with Nature

### PERFUMES AND POTIONS

The children will engage the senses as they experiment with textures and scents to create their own perfumes and potions.

### NATURE PAINT

Did you know that turmeric makes a wonderful non-toxic paint substitute? Today's art session will see the children mix a variety of natural paints using an array of herbs and spices.

### OUT IN THE COMMUNITY

The children will enjoy a walk to the local park for a play and picnic.

Friday 19th April

## A Brush with History

### COMIC DESIGNS

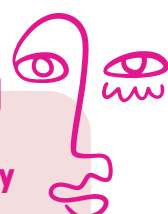

What was your favourite comic growing up? The children will be using their imagination to create their own characters and stories for a comic strip that they will bring to life through creative illustrations.

### PICASSO AND JUICE

A spin on the popular Paint and Sip classes, the children will get creative with a painting session that will be inspired by the works of Picasso.

### BLUE POLES SPLATTER ART

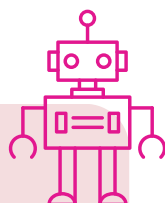

Taking inspiration from the famous painting the children will create their own splatter art creations.

# exploring our country

Bringing together Earth Day and ANZAC day the children will engage in experiences that explore elements of Australian culture, history and innovations through sports, engineering, arts and cooking.

Monday 22nd April

## Earth Day - Planet vs Plastic

### RECYCLED ART MURAL

In recognition of Earth Day the children will combine recycled and natural materials to collaborate on a mural that will depict the childrens perspectives of their local community.

### ROBOT MAKING COMPETITION

Inspired by Earth Day the children will repurpose recycled plastics to design and construct their very own robots.

### BOTTLE BOAT RACES

In recognition of the theme for Earth Day the children will be repurposing plastic bottles to construct bottle boats that will be powered by vinegar and bi carb.

Tuesday 23rd April

## Sports in Australia

### BOOT CAMP

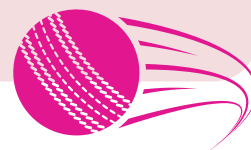

The children and educators will design and construct their own boot camp using a range of sport resources.

### CRICKET

Just like the soldiers in Gallipoli did as the allied troops prepared to depart the children will be engaging in the Australian pastime of cricket with an afternoon match.

### MARNGROOK

The children will learn about the Indigenous history and ties to Aussie Rules as they learn the fundamentals of the game.

Wednesday 24th April

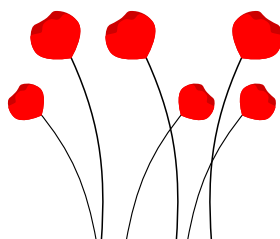

## ANZAC Day

### WREATH MAKING

In recognition of ANZAC Day the children will collaborate on creating a wreath that will be taken to the War Memorial as the children pay their respects to the men and women of the armed forces.

### EXCRUSION: LIMELIGHT CINEMA COMBAT WOMBAT BACK-TO-BACK

A sequel to the 2020 movie the children will enjoy an action-packed superhero flick with some Aussie flair. Be sure to catch the first movie with the family so you are ready for Combat Wombat Back-to-Back.

Thursday 25th April

## ANZAC DAY (PUBLIC HOLIDAY)

YWCA Canberra School Age Care would like to acknowledge our veterans both serving and fallen, inclusive of their families and loved ones.

Friday 26th April

## Aussie Innovations

### PAPER PLANE COMPETITION

Inspired by the Flying Art series from Qantas the children will be exploring contemporary Indigenous art as they design, decorate, and construct their own paper aeroplanes to take part in a friendly competition.

### AUSSIE DRESS UP DAY

Come dressed up as your favourite Aussie Icon!

### COOKING CLASS - ANZAC COOKIES

The children will take part in a cooking class where they will be making Anzac cookies.
